ABOUT US

Since 1968

Premier Road Carriers Ltd.

INTEGRATED SERVICES : From pins to elephant

The challenge of project logistics is to minimize costs, improve transport efficiencies, overcome trade, technical and paper barriers, and apply improving technologies to ensure completion of project requirements in the time allotted. At PRCL, we offer single window services covering all aspects of integrated project logistics to facilitate the various requirements of our customers.

Be it a small freight or a consignment of 100 tons. Be it any weight, anywhere, anytime. We at PRCL specialize in Heavy Lifts and ODC services.

We have a special team of professionals and technicians, who pre-plan the transportation process and make sure your consignment reaches its destination, in perfect condition. So what you get is a hassle-free transportation service.

WHY US

Since 1968

Premier Road Carriers Ltd.

RELIABILITY : Tomorrow's R&D implemented today

The strategy of our success lies in a well equipped Research & Development Cell to keep pace with the dynamic trends, changing policies, and also for the incorporation of latest machines, equipments and technologies that meets the highest international standards.

The R&D cell, ensures that the services provided and technologies incorporated, alongwith the equipments are in line with the global trends. This ensures that PRCL's offering excels in every area of its operation. We truly implement tomorrow's strategies today.

WHY US

Since 1968

Premier Road Carriers Ltd.

COMMITMENTS :

Complete Focus:

By keeping a limited clientele we ensure quality services are provided. Your association is precious for us.

On time placement:

Through our strong credibility we are able to provide 100% on time placement. Premier is a synonym for challenges. Adversity brings out the best in us. We are able to place vehicles during emergencies and even during strikes, Quarter Ending/Year endings etc.

Timely Delivery:

More than 95% of consignments lifted by us are delivered on time.

Safety of Goods:

We ensure goods are packed in good condition and well protected. Through our Quality standards we have been able to achieve 99% damage free deliveries.

Financial Stability:

With the help of our sister concerns which are NBFC's we are financially strong and able to complete large projects within the prescribed times.

In short we are fully equipped and are always looking to form partnerships instead of a Client-Vendor relationship as we believe ourselves to be stakeholders in your business.

WHY US

Since 1968

Premier Road Carriers Ltd.

Our esteemed clients ensures your success

Our broad spectrum and diverse range of satisfied clients, include multinationals, government organizations.
